From the President, Marist Rugby Club

2010 Rugby Online Registration

Dear Rugby Parents and Players,

Once again, it is time for registration for season 2010.

First, a big welcome to those boys and parents who are becoming part of the mighty Marist Rugby Club for the first time.

Secondly, a hearty welcome back to all of our parents and players from previous years.

ELECTRONIC REGISTRATION

For the first time, we are using *Electronic Registration*.

This has huge benefits to our Club in streamlining our administration tasks, as we will be able to capture all of your information electronically, collect payments and streamline our accounting, enabling us to not only cut down our admin workload, but also to have you listed in a secure online database, so that we can communicate with you much more efficiently during the season.

It will also mean that we can communicate with you, on an ongoing basis, and will have you and your son(s) listed in our database, even after they have left the Club.

However, we will understand if you are reluctant to use internet based payment/ registration and are able to assist you in that regard.

If you prefer to use manual registration please download the registration form at: www.maristrugby.com.au/regoform.pdf, and have your son return it to me as soon as possible.

Otherwise, you need to log in to our registration site at: www.maristrugby.com.au/online_registration.htm where you will be able to do your registration electronically.

At the same time that you are registering your son(s) you can also pre-order some of our club supporters' gear to have you kitted out for the season. This is, of course, purely optional.

TIPS FOR COMPLETING ELECTRONIC REGISTRATION
